12 - 173313. Mar 19, 2018 - We're excited to introduce an updated and improved signature editing experience for our Insider Fast users starting in version 16.. Note: I took this tutorial's screenshots in Outlook 2016, but the steps are the same in Outlook 2013 and Outlook 2010 (even Outlook 2007, to an extent).

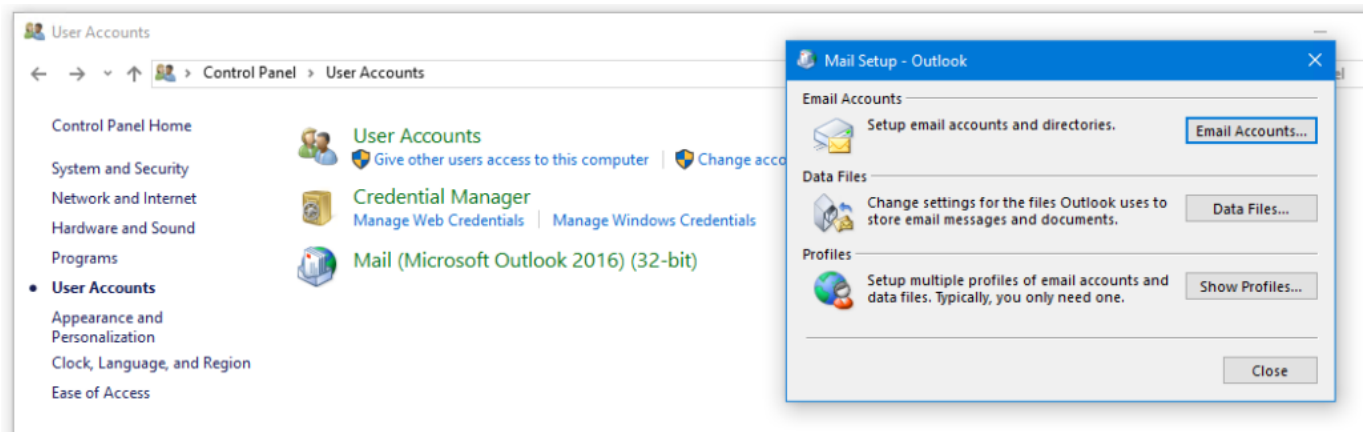

1. [edit signature outlook](#)
2. [edit signature outlook web app](#)
3. [edit signature outlook 2016](#)

3 In the Signatures and Stationery dialog that opened, click on the New button to create a new email signature.

edit signature outlook
